Dear

Further to your Freedom of Information Request, please find the Trust's response below:

I have been asked to prepare a paper on sickness absence rates and how it compares to other Public Services and large organisations in the area.

Could you please advise me what the percentage of hours lost to sickness is for the period 1 April 2018 to 31 March 2019 for your staff.

If you do not record sickness in hours could you please advise me what your sickness rate is by percentage and on what basis this is calculated.

Thank you for your assistance with this.

Humber Teaching NHS Foundation Trust can confirm that the sickness absence percentage for the period requested was 5.17%. This is calculated by WTE days lost.

Kind regards,

Freedom of Information Team
