Dear

Further to your Freedom of Information Request, please find the Trust's response below:

Could I please request the total amount Humber Teaching NHS Foundation Trust spent on translation services in the following financial years:

- 2016-17
- 2017-18
- 2018-19

In each year, please separately state the amount spent on interpreters/oral communication and the amount spent on written, translated material. If possible, please state separately the amount spent on translation services for the hearing impaired (i.e. BSL and braille)

Humber Teaching NHS Foundation Trust ('the Trust') can confirm the following spend on translation services:

2016/17	£41,279
2017/18	£40,690
2018/19	£41,543

The Trust is unable to separate these amounts into the categories as its systems do not record this information in this level of detail. To provide this information would require the Trust to carry out a manual search and check of each invoice, the timescale for which would exceed the statutory limit.

Kind regards,

Freedom of Information Team
