Dear

Further to your Freedom of Information Request, please find the Trust's response below:

*I am writing to you under the Freedom of Information Act 2000 to request the following information from the NHS.*

*I would like you to send me the locum agency spend in the AHP/HSS division of the hospital for Occupational Therapists and Physiotherapists in acute settings as well as the community. I would like to know the spend for 2018, also including the amount of locums that this refers to per month, broken down on a monthly basis. In the breakdown if you could please include the agencies that provide the locums also broken down numerically.*

*Ideally this would read as below -*

*January 2018 - £20k Community - £16k Acute*

*Sugarmans – Occupational Therapists x 3 Just OT – Occupational Therapists x 2 RIG – Physiotherapists x 2 Maxxima - Physiotherapists x 2 Sugarmans - Physiotherapists x 2*

*Then a breakdown all the way to as present as possible.*

*If you could provide this either in a PDF or excel format.*

Humber Teaching NHS Foundation Trust can provide the following breakdown of agency spend on AHP / HSS for our Trust for the period April 2018 to March 2019. Please note, our information is recorded per financial year, i.e. April to March and the Trust did not incur any cost from March 2018 to September 2018.

Further, the Trust finance system does not record the number of staff that this spend relates to.
