Humber Teaching NHS Foundation Trust is unable to provide any of the information requested as our systems do not record the information in the level of detail you have requested. The entry on our systems would be recorded as 'catheter care' and this would encompass a wide range of treatment for catheters. We estimate that the cost of complying with your request would exceed the appropriate limit as it would require a review of each entry for 'catheter care'.

Kind regards,

Freedom of Information Team
