With regards to Hard FM, the management of this is provided in-house. The delivery of Hard FM is a blended approach of in-house and outsourced provision. The Trust uses multiple contractors to support the delivery of Hard FM, dependant on the need.

In terms of security, the Trust does not utilise security guards but we do outsource the management of our security systems e.g. security alarms.

Cleaning, portering and patient catering are all recorded together on the Trust systems and so we are unable to provide separate expenditure.

Please could you also confirm the contact details including name, job title and email address for the relevant officer in the Trust (e.g. Director of Estates and Facilities) for these services?
