Dear

Further to your Freedom of Information Request, please find the Trust's response below:

Please can I make a Freedom of Information request for the following information for the time period of the last 12 months (08/07/2018-08/07/2019):

The number of community treatment order used (CTO) from this time period

The conditions on the community treatment orders from this time period

Please provide this in an electronic format if possible. Please let me know if you require any further information.

Humber Teaching NHS Foundation Trust entered into 69 Community Treatment Orders (CTO's) during the period 08/07/2018 to 08/07/2019. 30 CTO's are still in place at the end of this period.

The conditions of each community treatment order will be unique to each patient. Whilst Humber Teaching NHS Foundation Trust holds the information relating to the conditions of the CTO's, in order to maintain patient confidentiality, exemption – section 40(2) of the Freedom of Information Act is applied. To disclose the information requested would be in breach of the Data Protection Act (2018). Section 40 is an absolute exemption and consideration of the public interest test in disclosure is not required.
