Dear

Further to your Freedom of Information Request, please find the Trust's response below:

I am submitting a request for below information held by the trust under the Freedom of Information Act.

The total number of patients with no fixed abode discharged from your trust I would like this data from November 2013 to November 2019 Please break it down by month Please break it down by those that had been admitted and those that had not been admitted

Humber Teaching NHS Foundation Trust can provide the following numbers of patients discharged with no fixed abode. Please note, that the figures represent the number of patients discharged each month with no fixed abode, rather than the number of occasions that a patient is discharged with no fixed abode. Therefore if a patient had multiple discharges in a month, it is only counted once.

Please also note that in order to adhere to best practice in maintaining confidentiality, the Trust does not publish numbers lower than 5 as this could lead to the identity being revealed. Exemption – Section 40(2) of the Freedom of Information Act is applied. To disclose the information requested would be in breach of the Data Protection Act (2018).
