Dear

Further to your Freedom of Information Request, please find the Trust's response below:

I am a third year clinical psychology trainee at university. I am writing this email to request information under the Freedom of Information Act (FOI) on the number of trainee clinical psychologist that took maternity leave whilst on clinical psychology training over the past 10 years. I was advised to contact you with regards to obtaining this information.

I am currently undergoing my doctoral thesis in this area and this information would be highly beneficial to my research.

I would be most grateful for any assistance with this.

Humber Teaching NHS Foundation Trust can confirm that in the last ten years, no Trainee Clinical Psychologists have taken maternity leave whilst on clinical psychology training.

Kind regards,

Freedom of Information Team
