Dear

Further to your Freedom of Information Request, please find the Trust's response below:

Dear Sir

Would you be able to tell me if the Trust records/asks if their patient is a veteran? And at if they do at what point they do this especially in regard to mental health.

Humber Teaching NHS Foundation Trust can confirm that our systems do record whether a patient is a veteran however, we are unable to confirm at what point this is done as our systems do not record the information in that level of detail.

Kind regards,

Freedom of Information Team
