Dear

Further to your Freedom of Information Request, please find the Trust's response below:

I am making a Freedom of Information Request. Please kindly advise whether your Trust has procured at any point a technology platform called Robotic Process Automation, also known as RPA. This is a new technology and therefore I am only asking the Trust to check its procurement and/or IT records as far back as 01/01/2016. If you have procured RPA, have you calculated how many Full-Time Equivalent hours have been saved as a result of the automation doing administrative tasks, which were otherwise carried out by human members of staff working for the Trust Name of your CIO / CTO and the email address.

Humber Teaching NHS Foundation Trust ("the Trust") is unable to provide the information requested as the Trust has not procured a RPA.

The Trust's Chief Information Officer is Lee Rickles - lee.rickles@nhs.net

Kind regards,

Freedom of Information Team
