**Name:**  
**Date:** 13<sup>th</sup> December 2019  
**Address:**

Dear

Further to your Freedom of Information Request, please find the Trust's response below:

I would like to request some information under the Freedom of Information Act 2000.

Please provide the names and addresses, including a postcode (and organisation code if easily accessible), of all eating disorder clinics that patients are currently referred to you at your trust.

In addition, please indicate for each eating disorder service whether they provide inpatient, outpatient, community services (or if a clinic provides a combination of these, each type of service provided).

Please provide this in a spreadsheet with a file type ending in .xlsx with in the following table format:

Clinic name	Full address	Postcode	Type of service (inpatient, outpatient etc)	Organisation code
-------------	--------------	----------	---	-------------------

Please note that I am not requesting information on the numbers of patients being referred, or any other information which could be used to identify individuals, and nothing is being requested - or should be provided - which would make the request exempt under Section 40 of the Act.

Please also note that this information differs from data available on the NHS Direct website in that this information relates to services used within a specific CCG, rather than merely those that may be used by any CCG, and so is not exempt under Section 21 of the Act.

The current treatment pathway for Humber Teaching NHS Foundation Trust ('the Trust') is to refer patients (children and adults) to:

Evolve - Hull Community Eating Disorder Service.

CHCP (City Health Care Partnership) are currently commissioned to provide this service which is an outpatient service.

The address for Evolve is as follows:

Calvert Lane  
110A Calvert Lane  
HumberNHSFT

Caring, Learning and Growing

Hull, HU4 6BH

At present, there is no commissioned eating disorder service for anyone living in the East Riding of Yorkshire.

If you require any further information about this service, you may wish to approach CHCP direct.

Kind regards,

Freedom of Information Team
